MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Implementation of the National ELINT Plan (NEP)

1. By memoranda of 8 February from the Deputy Secretary of Defense, I was charged with publication and distribution of the National ELINT Plan and with coordination of its over-all implementation. Copies of the NEP have been sent to the Central Intelligence Agency in accordance with its stated requirements.

2. The Deputy Secretary of Defense also has established a requirement for a report from me on implementing actions and recommended revisions to the NEP. I expect that there will be requirements for revision as implementation progresses. I intend to make maximum use of the ELINT Advisory Group to advise and assist me in coordination of over-all implementation of the NEP. 25X1 [redacted] USAF, will continue as the Chairman and 25X1 [redacted] as the NSA Member of the ELINT Advisory Group.

3. It is my intent to monitor early implementation closely, and to propose changes as necessary to maintain the NEP as a viable instrument for coordination of U. S. ELINT activities. I therefore would appreciate it if you would provide me by 1 July 1966, and quarterly thereafter, a description of implementing actions taken by CIA as well as any suggestions you may have for revision of the NEP.

Marshall S. Carter
